

We are looking to hire someone for the tentative position of **High School IB Science Teacher (Tentative)** for the next school year (2020-2021), according to the following skills and qualifications:

### Position Details

Position Name: High School Science Teacher (Tentative)

Position dependence: High School Principal

Time commitment: Full-time

### Qualifications and Experience

- IB Chemistry HL teaching experience and IB training is preferred
- Science teaching experience using the NGSS Standards;
- Solid conceptual and applied knowledge of current research and trends in curriculum, instruction, and assessment;
- Demonstrated experience collaborating with colleagues;
- A minimum of 2 years of teaching experience in high school science;
- English (native or near-native proficiency).

### Skills, Attitudes, and Dispositions

- Genuine enjoyment of working with high school aged students;
- Ability to contribute to the overall sense of the school community through positivity, optimism, engagement, and professionalism;
- Excellent communication skills;
- Commitment to engaging in collaborative processes;
- Ability to reflect and demonstrate a growth mindset;
- Willingness to explore, embrace, and value Chilean culture.
- Understanding and appreciation of multicultural contexts.

### School Core Values

- Engagement: Approach life and work with complete attention, involvement and curiosity with the responsibility to make a positive difference in the world
- Ingenuity: Exhibit creative problem solving through experimentation, collaboration, research, and play
- Adaptability: Being able to adjust and thrive in a complex, rapidly changing environment
- Generosity: Ability to treat others with empathy, kindness, and respect in both word and action
- Happiness: Demonstrate to pursue happiness as a life goal, with awareness that some of the journey will be difficult, requiring self-knowledge and fortitude

### Primary Responsibilities

- Contribute to fostering the mission, vision, and values of Nido;
- Engage in the Nido community by promoting a positive, collaborative school culture;
- Teach five sections of high school science courses- including IB and non-IB courses;

INTERNATIONAL SCHOOL NIDO DE AGUILAS  
AVENIDA EL RODEO 14200  
LO BARNECHEA | SANTIAGO | CHILE  
+56 2 2339 8100

[www.nido.cl](http://www.nido.cl)

- Collaborate with the science department to further develop and improve the science curriculum- this includes participating in weekly curricular planning meetings with course-alike teaching partners;
- Serve as an Advisor for a small group of 8-12 high school students;
- Engage in the co-curricular program at Nido by advising a club or coaching an athletic team;
- Participate in the annual Week Without Walls program.

Interested candidates should address their letter of interest along with their CV and reference list in English to **Kate McKenna, High School Principal** ([kmckenna@nido.cl](mailto:kmckenna@nido.cl)).
