

## Position Details

**Position Name:** Speech Language Pathologist

**Reports to:** Director of Student Support

**Time commitment:** Part-time (up to full time depending on clients served) /

**Type of Contract:** Non-Nido staff - External contract

The Learning Resource Center team is committed to achieving improved outcomes for students referred to our department. Working closely with our colleagues in health & education, we are a well-respected and innovative team. This is an exciting opportunity to join a well-established supportive team. You will assess and carry out direct and indirect therapy with students presenting with a wide range of speech, language and communication disorders. You will be working with 3 to 11 year old students, faculty and other LRC team members.

## Preferred Qualifications and Experiences

- Clinical experience in pediatric speech & language therapy of at least 3 years.
- The ability to work as an effective team member with excellent interpersonal skills.
- Licensed in the Chilean Superintendency of Health.
- Post-professional education in specific evaluations, treatment models, Special Needs, and/or ASD.
- Experience with implementing technology-based interventions / tele-therapy
- Fluent in English and Spanish

## Main Duties and Responsibilities

- Assessing, diagnosing, screening, and treating language, and speech disorders.
- Providing a high standard Speech & Language Therapy services to referred students, using tried and tested therapies in combination with new, innovative techniques to provide the best care.
- Communicating with the student and their family members, physicians, and teachers to design effective treatment plans.
- Performing speech and language therapy assessment of students with diverse presentations and varying conditions, to provide a clinical diagnosis and develop and deliver appropriate interventions. Taking detailed notes on patient history and progress.
- Participating in meetings with Educators, Occupational Therapists, Counselors, Learning Support Team and Faculty, providing information about strategies and accommodations for a particular student.
- Performing group therapy to students with social skills challenges or other common needs.
- Evaluating students' progress and implementing changes to therapy programs as required.

Interested candidates should address their letter of interest to William Randall, Director of Student Support and send it along with their CV and reference list to [wrandall@nido.cl](mailto:wrandall@nido.cl). All documents **must** be submitted in English.
