Clothing list:

The weather in Medellin varies mildly between rainy and dry season. The temperature is a very agreeable 25 Celsius degrees year round. However, we will stay overnight in Santa Elena with a colder climate, especially during the evening. Students will be active every day and should pack good, comfortable sports shoes for walking and appropriate clothing for sunshine, rain, warm and cold. Due to the variable weather conditions we will encounter, it is important to be prepared with appropriate clothing for your CAS Trip. We highly recommend packing the following:

Rainproof jacket

Gloves

Scarf

Thick Socks

Sunhat

Long thin trousers

Warm clothes

Shorts and T-shirt
