

GENERAL INFORMATION

Medical Considerations:

A number of trips require their own specific medical release or other waiver forms. These can be found highlighted at the end of the program descriptions. Please ensure they are submitted promptly to the WWW Coordinator.

Vaccinations for yellow fever and/or tetanus may be arranged via the Vaccination Clinics at either Clinica Alemana or Clinica Los Condes. Yellow Fever vaccination should be administered at least 10 days prior to travel and an international certificate should be provided.

Payments:

By approving all of the five options selected on the **PERMISSION FORM** you are supporting your son's/daughter's participation in whichever option s/he is assigned to and therefore you agree to pay the trip costs for whichever trip s/he attends. The cost will be billed to parents along with the normal school tuition in the November.

All trip prices currently listed are subject to modifications due to change in currency exchange values and other unpredictable circumstances, like changes in flights. If any price change is made, we will address the situation accordingly with the company involved. **Please notice some programs list prices for the program plus travel expenses, which some airfare is an estimate, with final price not available until program confirmation.**

Trip Insurance Purchase:

It is stated on the **PERMISSION FORM** signed by each parent that: "I understand that any refund, due to unforeseen circumstances, depends entirely upon the trip operator, not the school." These refunds tend to be a minimal percentage of the total payment of the student's trip.

If you would like to have an insurance to protect you in case of your child not being able to attend a given trip we suggest you visit the link below.

NOTE: This is a personal option. Nido de Aguilas will not provide or be an intermediary of this insurance service. Parents directly with Journeyman Services and the trip service provider, not the school, must coordinate all procedures, questions and policies.
